THE 1971 SEASON

EDITORIAL

Although RMC Rugby Club's statistics for the 1971 season are not momentous, they are not without success. The U 19 A's were minor premiers, the Firsts reached the semi finals, we had a fair sprinkling of representatives in ACT teams for international games, we showed rousing rugby is still alive at RMC and we pulled off a couple of social coups with our Club Day and Presentation night. We won all our annual matches and things look good for 1972, because only 2½ members of the Firsts graduate in December.

If anything is to be gained from the statistics, it must include the fact that we were not fit at the start of this season. The disruption to the Club as a result of early injuries in senior grades was a decidedly undesirable factor. We must try to avoid this problem in 1972. And because of the demands of Summer Sport and a tight programme, the onus for fitness must be firstly with you, the individual player; not with the coach!

	PLAYED	WON	DREW	LOST	FOR	AGAINST	POSITION

COACHES COMMENTS:

Despite the large number of players who played in the team throughout the year, the 1st XV had a most successful season. The 1st XV reached the ACT A Grade finals, and defeated the Combined High Schools 1st XV, the Hawkesbury Agricultural College 1st XV, the University of NSW 1st XV, the other major matches for the season. There were a considerable number selected for representative sides which must be most satisfying for the team and for those players selected. Paddy Ryan was selected as reserve for the Wallaby Junior Match against the Springboks, and he and Andy Rankine played for the ACT. Geoff Bell, Morrie Meecham and Al McMurrans gained selection for the Australian Universities Team at Interservice. Jeff Johnson, Geoff Bell and Mike Smith played for the ACT Colts XV against the Canadian Trojans. Don Muirhead was selected for this game but was unable to play because of injury. Tom Cobley was selected as reserve for the Australian Combined Services Vs ACT. My congratulations to those players. Probably the most satisfying event which occurred over the season was the change in the players tactical

understanding of the game, such that fewer mistakes were made and the players at the end of the season were generally able to do the right thing at the right time. Consistency improved towards the end of the season, and I would hope the team is able to take this up at the beginning of next season. The most memorable features of the season were firstly the sound defence, secondly the strong team spirit which spontaneously grew as the season progressed, and thirdly some individually fine performances, which were, of course, only made possible by the team effort. I make no predictions for next years results. I can only hope that there are less injuries to players, and that the team can play consistent, intelligent and enjoyable rugby. Things to look forward to will be the 50th Anniversary of the HAC Vs RMC Matches, hopefully, a team tour. A final note, the last time RMC won the John 1 Dent Cup was in 1962.

FIRST XV MATCH RESULTS

COACH'S COMMENTS:

The team had a reasonable season to finish fifth place in the competition. The result could have been better had some of the key players not suffered injuries which put them out for prolonged periods. Team spirit was always at a high level and in the main, players were keen at training. Injuries forced some to play out of position but this was accepted and they gave of their best.

Due to youth and inexperience some players lacked the fire to finish off moves, which should have resulted in tries. However, the experience gained this season should overcome the problem in 1972.

BEST & FAIREST: S/C D. J. McGILL

COACH'S COMMENTS:

The Third XV started the season by winning four of their first six games. Thereafter the display was hot and cold as players changed to second grade or came from fourth grade. Thirty seven players represented the Thirds during the season.

The strong point of the season was in the goal kicking department where Mark Stuart proved most reliable. The weaker points occurred in rucking and inability to gather the loose ball.

COACH'S COMMENTS:

On the whole the Fourth XV completed a satisfactory year. They failed to make the finals because they lacked depth to overcome the problems of injuries and the promotion of players to Third Grade. For the entire season they maintained a solid forward pack, who by their fitness and enthusiasm, succeeded in overwhelming most opposition packs. Unfortunately, it was only on rare occasions that they possessed a regular back line and consequently penetration in attack suffered. Many of the backs were week to week "fill-ins", who played enthusiastically but lacked ability.

COACH'S COMMENTS:

Despite the disappointment of losing the final, after gaining the minor premiership, I consider the season coaching the U19 A's as personally one of the most rewarding. My aim as coach was to introduce ideas, which could be improved on by discussion once the team had started to think about Rugby. Because of the willingness of most members to express a point of view, the result was that I learned as much as the team.

On reflecting, the most memorable game was the loss to Royals, when four of the team were away reserves with the 1st XV. The dominating play of the tight forwards, the neutralising play of the loose forwards, and the persistent tackling by the backs all allowed us to maintain the lead until the last 15 minutes. This, I felt, was the most inspiring game and showed what the team was capable of. Congratulations to Bob SHEPPARD for his selection as Club Most Improved forward, and to Mick WHEATLEY on winning the Team Best and Fairest.

The season revealed the abundance of talented forwards. It would pay for some to consider changing positions to gain a place in higher grades in future. By the same token, backs need to specialize in one position, and improve or increase individual skills. However I feel that 1971 U19 As will capably fill positions in grade teams in the coming season.

COACH'S COMMENTS:

Although the season was a rather dismal one as only one match was won and that one on forfeit, the U19 Bs developed a good team spirit despite a lacksadaisical attitude by some in the first few games.

There were two major reasons for the year's result:

- a. Poor tackling for at least half the season, and
- b. Almost a complete lack of backs.

Less important, although significant was the lack of a satisfactory goalkicker. The forwards generally put up a sound performance, particularly in scrums. It is a pity that this year, with only six teams in the competition, was rather uninspiring.
